Infos at introduction

Food

- Lunch: location, time, we all go together, who is paying how?
- Coffe breaks during lectures in hallway next to lecture room as well as down in the kitchen
- Coffee breaks during practical exercise in barn
- Dinner in town=> maps?

Talks

- Questions at the end of the talks, time for discussion planned

Barn

- Hygenic stuff is prepared
- Water, coffee and snacks are served as well=> only allowed in the winter garden not in the barn itself
- Bring something to write, paper is provided as well
- Please collect scoring sheets (publication, copies needed)

Final discussion

- Data collected during training collected and planning to get them published => scoring sheets need to be copied from everyone
- Impression, evaluation of the TS
